5 REPORT OF RMS DELEGATED FORMAL ITEMS

5.1 Proposed Temporary Road Closure - Terralong St, Kiama - Kiama Winter Street Festival - 13-14 July 2024

24/023LTC

Resolved that the Committee approve the temporary closure of Terralong Street on Saturday 13th and Sunday 14th July 2024 for the Kiama Winter Street Festival in accordance with the plans attached, subject to:

- a) Provision of 2x VMS boards advising of the upcoming event, at each end of the proposed closure for at least seven days prior to the event.
- b) Provision of a Traffic Guidance Scheme detailing the controls required for Terralong Street remaining closed to traffic for the duration of the festival from Saturday 13 July 24 to Sunday 14 July 24, to the satisfaction of Council prior to the issue of the Road Occupancy Permit.
- c) Notification letters being sent to all affected residents and businesses along the closed route.
- d) Advertisement of the closure on Council's website and social media, and in local radio and print media.
- e) Council Event staff consulting with emergency services regarding the event and road closure.
- f) TfNSW has organised additional train services for the event.

(Member Darrell Clingan and Member Andy Gaudiosi)

6 GENERAL BUSINESS

6.1 Fern Street Pedestrian Crossing, Gerringong

DC raised a recent accident on 14 May at 1.08pm, where a pedestrian was hit at the Fern Street Pedestrian Crossing in Gerringong by an 85 year old driver. The resident that was hit sustained serious injuries and is in hospital. The accident is currently being investigated by the police. DC advised that he has inspected the crossing, and has concerns about the condition and environment of the crossing.

It was noted that:

- KMC is aware of the incident.
- If the Police investigation identifies any road safety issues they will be investigated and if a change to the traffic facilities is required these will be brought to the LTC for consideration once a proposal is developed by council.
- The members of the LTC are welcome to attend a site inspection if available.

MINUTES OF THE KIAMA LOCAL TRAFFIC COMMITTEE

4 JUNE 2024

Subsequent to the meeting it was confirmed by KMC that:

- A Road Safety Auditor be tasked by Council to inspect the site and identify any issues that should be attended to. Issues such as condition of existing line marking or signs, encroachment by street trees etc can be managed by Council as the Roads Authority within its resource capacity and don't require the consideration of the LTC.
- If the Road Safety Auditor identifies issues that require changes to the traffic facilities, a proposal will be developed for LTC consideration.
- NSW Police will be undertaking an additional inspection of the site and have requested that no alterations be made until that inspection is completed.

6.2 Coffee with a Cop - 16 June 2024

AG advised that there will be a motorcycle safety event called "Coffee with a Cop" at the Kiama Lighthouse on Sunday 16 June 2024, between 10am and 2pm. There will be a marquee set up, with free coffee vouchers being given out to members of the public that visit the event.

6.3 New town entry treatment at Gerroa

AG advised that the new town entry treatment at Gerroa has received a lot of positive feedback from the public, and that it is very effective. LD added that the contractor who did the work did a very good job.

6.4 Motorcycle speeding between Kiama and Jamberoo

SL advised that the Mayor and some Councillors have received quite a bit of correspondence from residents regarding an increase in motorcycles speeding on roads between Kiama and Jamberoo, and antisocial behaviour. Some of the motorbikes are registered, some are not.

7 CLOSURE

There being no further business the meeting closed at 9.33am

These Minutes were confirmed at the Ordinary Meeting of Council held on 2 July 2024

4 BUSINESS ARISING FROM THE MINUTES

5 REPORT OF RMS DELEGATED FORMAL ITEMS

5.1 Implementation of timed No Parking restrictions for waste collection - 47 Thomson Street, Kiama

CSP Objective: Outcome 4.3: Our built environment is safe and inclusive; our infrastructure is well planned and well managed.

CSP Strategy: 4.3.2 Actively plan how we travel and create safe travel routes whether we are walking, cycling, driving or accessing public transport.

Delivery Program: 4.3.2.3 Implement the requirements of the Roads Transport Act, Impounding Act, Crown Lands Act and Road Rules

Item 5.1

Summary

Approval of the Local Traffic Committee is sought for implementation of a timed No Parking zone in the 45-degree angled parking bay located in front of 47 Thomson Street Kiama, to allow for waste collection for the new residential flat building.

The No Parking zone is timed to prohibit parking between 6pm Sunday and 12pm Monday, to allow for bins to be placed along the road edge, within the angled parking spaces, the night before collection.

RECOMMENDATION

Report of RMS delegated formal items

5.1 Implementation of timed No Parking restrictions for waste collection - 47 Thomson Street, Kiama (cont)

That the Committee endorse the implementation of 'No Parking' restrictions on the angled parking bay on Thomson Street, Kiama, to be timed 6pm Sundays to 12pm Mondays, as set out on the attached plan.

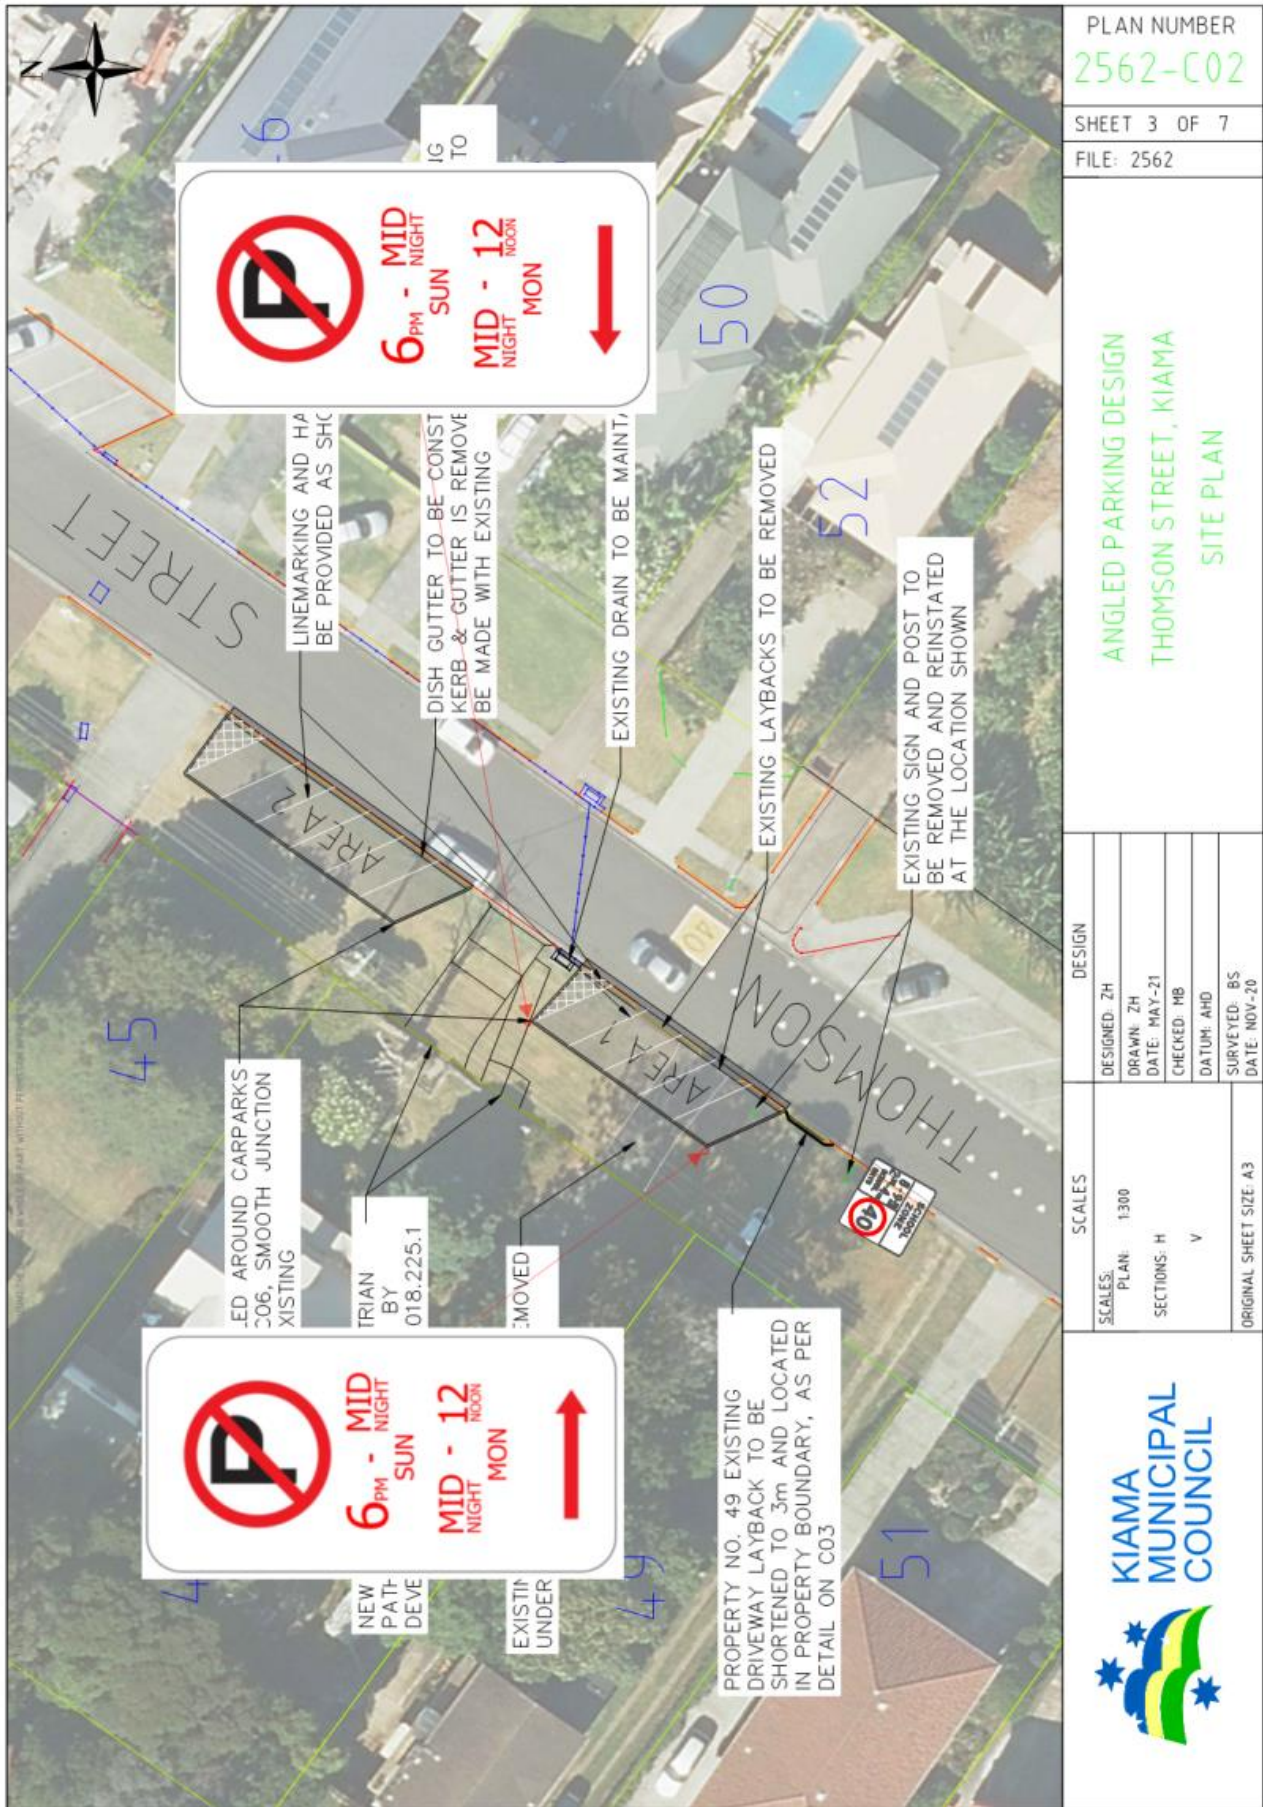

Background

Development application 10.2018.225.3 for the construction of a residential flat building at 47 Thomson Street Kiama, included a condition of consent requiring the developer to obtain approval of the Local Traffic Committee for the implementation of timed No Parking restrictions in the angled parking bay in front of the site, to allow for the presentation and collection of bins.

The angled parking bay was constructed by the developer to a plan prepared by Council, as a requirement of the development consent. The approved DA plans nominated the parking bays as the waste collection point for the development.

Consultation with Council's Manager Waste Services and the developer have resulted in an agreed timing of the No Parking restrictions to be in place from 6pm Sundays to 12pm Mondays. This is to allow time for the building's caretaker to present bins on the Sunday evening prior to collection, which can occur any time between 6am and 12pm on Mondays.

The design and location of the parking bays means bins need to be placed within the parking spaces to allow for collection by the service truck, hence restrictions must begin the evening before compared to other situations which allow bins to be placed behind the kerb.
