FACT SHEET

URBAN SHARED BIN ARRANGEMENT FOR MULTI-UNIT DWELLINGS WASTE SERVICES

1. Special collection requirements for multi-unit developments, senior citizens, shop top housing or residential flat buildings

For these types of developments:

- a) the collection day and frequency may be different to other residential premises due to the number of bins to be collected from the premises and the available width of the roadside collection point
- b) a caretaker may need to be appointed to bring bins out to the Council nominated roadside collection point and then returned to the premises the same day of servicing
- c) residents will be provided with a waste collection calendar that nominates the collection day or days for landfill, recycling and FOGO.

2. Payment for waste bins

Charges apply for the supply and delivery of new or replacement landfill, recycling, FOGO bins to new premises. These charges are to be paid upon submission of your application.

Where shared bins for landfill, recycling and/or FOGO services has been approved by Council, the body corporate or community manager is responsible (unless otherwise agreed to by Council) for paying the charges for all new bins. Upon application of the waste service the Occupation Certificate must be submitted to Council.
